Annual General Meeting - Draft Minutes

St Patrick's Hockey Club Annual General Meeting

Sunday 2 November 2025 - 1600-1730
National Hockey Centre – Strikers Room

Attendees: Kathy Mumberson (President), Dan Sagrott (Secretary), Zanthe Sheargold (Treasurer), Michael Plenty, Gerard Evans, Claire Warner, Sarah Janek, Nick Streeton, Samuel Rowsell, Natasha Greagg, Emma Taylor, Peter Elliott, Nicole Evans, Lachlan Woods, Tamara Seaman, Ruth Sagrott, Emma Taylor, Mark Taylor, Bryan Kelly Steve Cross, Emilia Janiszewska, Garrit Ivers, Lee Dwyer, Grace Dwyer Joanna Gray, Paul Wilks, Hugh Evans, Sonia Williams, Darren Williams.

Apologies: Michelle Murphy, Trad Wallace, Brett Bettiol.

Proxies: Nil.

Meeting start time: 1606

Agenda Item 1 - Acknowledgement of Country

1. The President welcomed everyone to the meeting. The Secretary delivered an Acknowledgement of Country.

Agenda Item 2 - Opening

2. The President informed the Members that the Annual Report and Financial statements were available for all attendees. The President thanked everyone for their attendance. The Secretary confirmed with all attendees that they had signed the attendance sheet, that there were three apologies and no proxies registered.

Agenda Item 3 - Minutes of the 2024 AGM

3. The Secretary drew the meetings attendees' attention to the minutes from the AGM in 2024 and asked if anyone had any questions before proceeding to the proposed resolution. The minutes from the 2024 AGM were contained within the Annual Report pages, 3-6. No questions were raised.

a. **Proposed resolution:** That the minutes of the 2024 Annual General Meeting be accepted.

b. **Moved:** Peter Elliott. **Seconded:** Gerard Evans – **Passed**

Agenda Item 4 - Presidents Address

4. The President stated that it had been their first year in the role and thanked all of the volunteers that had helped support the Club during the year. The President was also appreciative of all the Club Sponsors. The full details of their report are contained within the

Annual Report, pages 7-9.

Agenda Item 5 - Reports

5. **Annual Report.** The content of the Annual Report was broadly discussed. In particular the contributions of members other than the Executive Committee were noted.

   a. **Proposed resolution:** That the annual report tabled at the annual general meeting be accepted.

   b. **Moved:** Peter Elliott. **Seconded:** Ruth Sagrott – **Passed**

6. **Audited Financial Statement.** The Treasurer stated that their report was on pages 20-22 of the Annual Report and that the financial report could be seen on pages 23-30. Th Treasurer briefly discussed the new fee policy and the management of payments for umpires. The Indoor fee process has changed with the Club now managing this process. The main highlight on the accounts was a net profit of $17.6k up from $2k the previous year. The improved financial position for the Club was mainly down to increased sponsorship as well as an increase in income from fundraising activities.

   a. **Proposed resolution:** That the financial statements tabled at the annual general meeting be accepted.

   b. **Moved:** Peter Elliott. **Seconded:** Nick Streeton – **Passed**

Agenda Item 6 - Election of Office Bearers

Executive

7. **President:** Katharine Mumberson.

   a. **Nominated:** Peter Elliott. **Seconded:** Tamara Seaman – **Elected**

8. **Secretary:** Daniel Sagrott

   a. **Nominated:** Michael Plenty. **Seconded:** Peter Elliott – **Elected**

9. **Treasurer:** Zanthe Sheargold

   a. **Nominated:** Emma Taylor. **Seconded:** Peter Elliott – **Elected**

Club Patrons

10. Leanne Monfries

    a. **Nominated:** Emma Taylor. **Seconded:** Sarah Janek – **Elected**

11. Trad Wallace

a. **Nominated:** Michael Plenty. **Seconded:** Sonia Williams -- **Elected**

Vice Presidents

12. **Vice President (People and Teams):** Brett Bettiol.

a. **Nominated:** Gerard Evans. **Seconded:** Sam Rowsell -- **Elected**

13. **Vice President (Development):** No nominations were received.

14. **Vice President (Business Operations):** No nominations were received.

15. Peter Elliott raised a point regarding the number of VPs. He stated that up to 10 VPs can be elected and the Executive can assess how they can be best used to support the Club.

Finance Committee

16. There were no nominations for the Finance Committee. The Executive will consider options to support this Committee.

Social Committee

17. The following members nominated as a group to serve on the Social Committee. The nominated and seconded process was conducted for the four members together to save time.

18. **Social Committee Members:** Lee Dwyer, Mick Plenty, Cooper Evans, Jess Whitlock.

a. **Nominated:** Sam Rowsell. **Seconded:** Garrit Ivers -- **Elected**

19. **Property Officer:** Paul Wilks.

a. **Nominated:** Lachlan Woods. **Seconded:** Garrit Ivers -- **Elected**

Agenda Item 7 - Nominations for Committee Members

20. The following nominations were received for the Committee.

a. Head of Programs – Men: Nick Streeton.
b. Head of Programs – Women: Michelle Murphy.
c. Head of Programs – Juniors: Natasha Greagg.
d. Women's Coordinator – Tamara Seaman
e. Mens Coordinators – Sam Rowsell, Mick Plenty, Steve Cross
f. Boys Coordinator – No nominations received.
g. Girls Coordinator – Sarah Janek
h. Development Committee – No nominations received.

Agenda Item 8 - Nominations for other roles

21. The following nominations were received for other Committee roles.

a. Umpiring Coordinator – Bek Platten.
b. Indoor Coordinator – Bek Platten.
c. Social Coordinator – No nominations received.
d. Sponsorship/Fundraising Coordinator – No nominations received.
e. Assistant Secretary – Nicole Bettiol.
f. Assistant Treasurer – Natasha Greagg.
g. Uniform Coordinator – No nominations received.
h. Social Media Co-ordinator – Emma Taylor
i. Hookin2 Hockey Co-ordinator – Jess Whitlock
j. General Members – Hugh Evans, Grace Dwyer, Lee Dwyer, Mick Plenty, Bryan Kelly.

Agenda Item 9 - Election of Life Members

22. There was one nomination for election of a Life Member and this was Gerard Evans. The Secretary confirmed that the nomination process had been conducted correctly in accordance with the Club Rules. The President asked Darren Williams to provide some words on Gerard Evans to support the nomination and allow the Members at the AGM to consider if they would support the nomination.

a. **Vote:** The Club members present at the AGM unanimously support the nominations of Gerard Evans for Life membership.

Agenda Item 10 - Correspondence

23. Nil.

Agenda Item 11 - Motions of which Due Notice has been given

24. No motions were received which required notice under the Rules of the Club.

Agenda Item 12 – Consideration of the Rules of the Club

25. Peter Elliott led the discussion on the consideration of the Rules of the Club. As a Life Member, Peter is uniquely placed to provide the context of why the rules are written in a certain way as well as help the Club maintain the ethos and spirit that embodies St Patrick's Hockey Club. Peter stated the need for the Club rules to be updated. There were elements in our Club Rules, such as references to a clubhouse, that were no longer applicable to the way the Club now operates. There were discussions on definitions and some perceived gaps in the current rules. The Executive agreed to work on revising the Club Rules. Peter reiterated that the rules can only be changed at a General Meeting, so this would give the Executive some time to thoroughly revise the document.

Agenda Item 13 – General Business

26. The President stated that the announcement of the CL1 coaches for the upcoming season was imminent.

Meeting Closure: 1712

Daniel Sagrott

Dan Sagrott

Secretary
St Patrick's Hockey Club

President's Report

2026 was another busy and successful year for St Patrick's Hockey Club. We remain one of the largest hockey clubs in the ACT and surrounding region, and in fact this year we grew in membership numbers (see further into the report for more information). The Club has worked hard to ensure the hockey experiences of our players, members and coaches were positive and that opportunities for people to come together and connect were created.

The current Executive (President, Secretary and Treasurer) is in its second year together. We are responsible for the overall governance of the Club and ensuring St Pat's is a strong, successful and connected hockey community now and into the future. It is an important responsibility and one we understand and take seriously. We are fortunate to have a very diligent, cooperative and diverse committee that oversee the many operational aspects of the Club. Together we work to fulfill the Objects and Purpose as stated in our Club Rules in accordance with our Strategic Plan.

Like 2025, the Executive created a set of goals aligned with the Club's Strategic Plan. In 2025 our goals focused on Governance, which we progressed further in 2026. Key to this was providing clarity around the roles and responsibilities of Officer Bearers and finalising the review of our Club Rules. The purpose of reviewing our Club Rules was to ensure it complied with relevant government requirements, legislation and community expectations and provided a clear and effective governance framework to guide Club operations and the participation of its members. As a result, a significantly updated document was drafted which is intended to provide an effective foundation for the Club's future development. I thank Dan for very effectively undertaking this significant piece of work and those members of our community that provided guidance and suggestions, in particular Nicole Bettiol, Lachlan Wood and Life Member Peter Elliott for their feedback.

Our other 2026 goals focused on 'Development'. A number of specific goals were identified and several of these were achieved (refer below to the Development Report for more information). We intend to build on this work in 2027 and with renewed engagement from Hockey ACT, invest further into developing our players, umpires and coaches.

At St Pat's we are committed to ensuring the safety and wellbeing of all children and young people at our Club. We are guided by our Child Safeguarding Statement and have appointed two Child Safeguarding Officer. Importantly, all members of our community have a responsibility, individually and collectively, to ensure that the wellbeing and safety of all children and young people is at the forefront of all that they do and every decision that they make. More information on St Pat's Child Safeguarding framework is provided below in the VP – People and Teams Report.

The Club enjoyed fantastic success in 2026 with 17 of our 26 teams being finalists, 2 teams achieving the Minor Premiership, 6 playing in a Grand Final and 2 winning their Grand Final. There was an increase in player numbers across a number of demographics, including our Hookin2Hockey Program which is a Hockey Australia affiliated participation-based program for our youngest members.

Our CL1 men had a particularly outstanding year, making the CL1 finals for the first time in 24 years. This is a fantastic effort for all involved under the leadership of coach Pat Keir. Despite not losing a match for most of the second half of the season, our CL1 women missed out on a top four spot (by a whisper). They will be looking to make amends in 2027, and the Club will be right with them. It is essential that our CL1 teams are competitive and perform, which requires appropriate resourcing and support. Having said that we are a broad Club that provides a diverse range of opportunities across all Hockey ACT's competitions, divisions and age groups. It is important that we recognise that the needs of our teams are different and resource each appropriately.

Approximately 60 of our players were selected for representative teams and a few also gained selection in Australian squads and teams. We also congratulate our 6 senior players selected in the Canberra Chill teams. A list of rep players is published on our website.

St Pat's shone at Hockey ACT's annual Brophy McKay Presentation. Our own Simon Kragh was presented the Brophy Medal for the best and fairest player in the men's competition and St Pats also received the Central Cup which is the Women's Club Champions Award. We congratulate all the St Pat's award recipients which are listed below.

I am incredibly grateful to those businesses that sponsored St Pats in 2026. Their contribution ensures that St Pats remains one of the more affordable hockey clubs, can reduce fees for individuals that 'give back' or require a level of financial support and can resource teams with equipment as needed. Many of these businesses are or have been playing members of St Pats. In 2025 we engaged nine new sponsors, all of whom continued in 2026, and this year we also engaged three new sponsors. Please take a look at the information below in relation to each sponsor and reach out to them if you are after services including: building and construction, allied health, cyber security, fire protection or that of an architect or a place to catch up socially with friends or for a round of golf. I ask that you please support these businesses because they support St Pat's.

I thank our committee members for their hard work throughout the season and service to our 26 teams. Several individuals joined out committee which resulted in the size of the committee increasing. I am very appreciative of the capability, commitment and time each contributes to the success of St Pat's. I acknowledge the valuable contributions of those Office Bearers not continuing on the committee next season: thank you Zanthe Sheargold, Michelle Murphy and Nicole Bettiol for your commitment and dedication to St Pats over many years.

A massive thank you must also go to our coaches and managers. The season can be long and demanding, but they do their very best to be constructive, drive success and support our players. I also thank our umpires for performing their vital role and ensuring we get to play the game we love. Umpire numbers across HACT have declined over recent years; however, St Pats continues to engage and develop Club umpires, under the leadership of our Umpire Coordinator. We must continue to actively support match umpires and 'accept the call', regardless of whether we agree with their decision.

I thank our Life Members for their contribution. Many continue to provide support and attend Club events and matches. We are fortunate to have such an engaged and supportive group of Life Members.

In conclusion I thank all our players, members and volunteers for being a part of the St Pats community. I hope that the 2026 season has been an enjoyable one for you and very much look forward to seeing you next season.

BROPHY McKAY MEDAL RESULTS – CONGRATS ST PAT'S!!

- **Simon Kragh** - The Brophy Medal - best and fairest player in the men's competition
- **Patrick Keir** - J.E.S MacKinnon Trophy - coach of the year in Men's CL 1 competition
- **Jacob McGregor** - Most Improved in CL 1 Men
- **Natasha Greagg** - Bill Weidner Cup - awarded to the volunteer who contributes a significant amount to the administration of Hockey
- **Alicia Firth** - Coca Cola Bottler Award - awarded to a female under 21 who has significantly contributed to hockey
- **Jonte Platten** - David Webb Memorial Shield - awarded to a male under 18 who has significantly contributed to hockey
- **Cooper Evans** - Keith Harding Memorial Trophy - awarded to the male junior umpire who contributed the most to umpiring throughout the season. Note that Cooper also won this award in 2025
- **St Pats Women** - Central Cup, the Women's Club Champions Award
- **Simon Kragh, Jacob McGregor, Mikayla Evans** - named in the Teams of the Year

Kathy Mumberson
President

Vice President – Business Operations

Over 2026, there's been some improvements made in strengthening the club's operations, communication channels and member experience, while also enhancing the club's presence and visibility across digital platforms. Some key achievements during the reporting period include:

- The implementation and adoption of Spond as a team and club communication platform. The uptake has been strong, providing a more efficient and centralised method for managing player's availability and team communication. Spond does not include advertisements and other pop-ups, and provides mechanisms to better manage issues relating to child safeguarding. The platform has expedited communication between players, families, managers and coaches, reducing reliance on multiple channels. Given the benefits realised, consideration should be given to establishing Spond as the club's primary communication platform for club and team activities. Thank you to Bill Williamson for recommending Spond to St Pat's and for his ongoing leadership, guidance and administration of Spond.
- Significant progress made in strengthening the club's digital presence. A consistent and recognisable brand has been implemented across social media platforms, helping to create a stronger connection with followers. This has enhanced the visibility of the club, specially showing a professional and unified online presence. Special mention to our volunteer team for their dedication, creativity and commitment in this area. Their generous contribution of time, skills and expertise are worth commending.
- Regular and consistent delivery of communication through social media channels resulted in a large volume of posts shared across our platforms, helping to promote activities, celebrate member achievements, and keep the community informed. Thank you to Emma Taylor and Alicia Price for consistently generating attractive and engaging social media posts across the Club's Instagram and Facebook platforms.
- Publication of Club Newsletters. A total of seven newsletters were published between January and September that featured news, achievements and updates for members. We hope that members find these newsletters to be provide colourful, engaging and informative summaries on recent Club news and events. They are published on the St Pat's Website – Publications page.
- A review of the club website's design and structure was undertaken during the reporting period. This review identified opportunities for enhancement of user experience, content management process, and overall look. Planning for the enhancement and website redevelopment is scheduled to be a focus area for the next reporting period.
- Initial discussions commenced around the development of a team motto designed to reflect the values, aspirations, and identity of the playing group. Importantly, this initiative seeks to involve players in the process, ensuring the outcome is meaningful, authentic, and representative of the culture we aspire to build. Communication regarding this point will be circulated at the beginning of the next reporting period.

All these achievements reflect the strong commitment of our volunteers, players, families, and supporters, whose ongoing contributions continue to play a critical role in the success of the club. Their support, engagement, and willingness to embrace new initiatives have been instrumental in delivering positive outcomes across a range of operational & strategic areas.

Chasqui Orozco
Vice President – Business Operations

Vice President - Development

The Club recognising the importance of providing effective, fun and meaningful development opportunities for our players, coaches and umpires. To ensure progress was made, a number of 2026 Club goals were established by the Executive that focused specifically on development.

1. The appoint a volunteer/volunteers to provide strategic direction and oversee the development of players, coaches and umpires.
    - We were fortunate to engage a number of volunteers:
        - Rhonda Smyth; appointed VP – Development in March. Her experience and expertise were very helpful at Executive meetings and with the development of a Junior Development Program. Unfortunately, Rhonda is unable to continue in this role in the future.
        - Craig Williams; appointed Coach Administrator. He established a Spond group so that guidance and tips could be shared and communicated with club coaches. He also attended several Club training and GK sessions to provide guidance to coaches and assess player skills. Craig undertook additional coach accreditation through Hockey Australia and will hopefully be able to deliver coach accreditation programs in the future.
        - Bec Platten-Reynolds continued as our Umpire Coordinator and did a great job. Much of her time was spend ensuring allocations were covered; as a result, limited umpire development and mentoring was able to be delivered. The Executive will need to consider how best to address this issue moving forward so we can effectively recruit and retain Club umpires.
2. Provide opportunity for identified umpires and coaches to access training and accreditation opportunities.
    - The Executive met with Hockey ACT's recently appointed Participation and Development Manager in October to discuss how the Club can engage with accredited umpire and coach accreditation programs and access quality education. A number of formal and informal initiatives and opportunities were discussed which we look forward to progressing with support from Hockey ACT.
    - Unfortunately, not much further progress was made. We are encouraged; however, by Hockey ACT's renewed focus on coach and umpire development and look forward to working with them to better support our umpires and coaches.
3. Provide clarity around the St Pat's approach to player development.
    - Our Player Pathway was reviewed and updated. It is published on the St Pat's Website – Publications page.
    - While initial discussions were undertaken at Executive level on how we develop players across the grades, limited additional progress on this goal was achieved.
    - The Club was able to resource the following to ensure all players had opportunity to improve throughout the season:
        - All teams were provided with a coach
        - CL1 coaches were provided with an Assistant Coach that also provided hands-on assistance to the CL2 programs
        - All teams had access to training sessions/opportunities

- While St Pat's provides opportunity for all players to improve, players development is different to this. It is a long-term plan that includes structured, strategic opportunities that are targeted to identified players aimed at progressing them as hockey players. Further discussion, clarification and communication is required regarding how we as a club approach player development while ensuring it is done in a manner that reflects our strategic plan.

4. Provide targeted opportunities for identified players to develop and improve their skills.
    - Our Summer Skills Junior Program was again delivered – while this is largely a participation program it does contribute to development because it gives opportunity for junior players to improve and be reviewed ahead of the start of the season. More information is provided below on this program.
    - There was positive discussion on delivery of a St Pat's Junior Development Program. The aim of the program is to prepare juniors that seek to or are playing senior hockey and identify future CL players. We look forward to delivering this program in 2027.

CONGRATULATIONS!!

to all St Pat's players selection to represent the ACT at National Championships. We even had a few selected for national teams and squads!

Visit the St Pat's website
to find out who was selected in each team in 2026!

Vice President - People and Teams Report

Child Safeguarding

Sport Integrity Australia's *Creating Safer Sport for Children and Young People* guide, which outlines the 10 national principles for child safe organisations, has guided St Pat's update/refresh to its suite of planning, policy and guidance materials to ensure the club provides a safe environment for its junior members and young people. Implementing child safeguarding principles strengthens St Pat's ability to;

- build a safer more positive sporting environment for our juniors and young people,
- minimise risk of abuse and harm to children and young people,
- build a sporting culture that promotes child safeguarding, and
- implement continual improvement into our child safeguarding capabilities.

As part of our commitment to building and maintaining a safe environment for our juniors and young people, St Pat's has two Child Safety Officers; Brett Bettiol (VP People and Teams) and Natasha Greagg (Juniors Coordinator).

The role of the St Pat's Child Safety Officer is to be a point of contact for raising child safety concerns within the club, champion child safeguarding, and, with the club executive, coordinate appropriate responses to any child safety concerns or incidents that occur. In support of this role, both the St Pat's *Child Safeguarding Statement* and the *Child Safeguarding Information for Juniors* is available on the club website. Further guidance and compliance measures will be continually developed and updated as the need requires.

Rounds of Significance

St Pat's continues to support, and actively participate in HACTs Rounds of Significance, including:

- Reconciliation Round: 29-31 May 2026.
    - CL women's and men's teams played off in the matches of the round, and teams across grades wore their indigenous playing shirts.
- Pride Round: 26-28 June 2026.
    - The Club provided every team with a St Pat's branding Pride Round sticker and all teams were encouraged to wear rainbow livery, including wrist bands, ribbons, socks and tattoos, with many standing out on the day.
    - St Pat's Lachlan Wood is a Hockey ACT Pride Round ambassador.
- Livin for Hockey Mental Health Round: 24-26 July 2026.
    - All teams were encouraged to wear Livin for Hockey stickers provided by HACT.
- Chris Mackinnon Breast Cancer Awareness Round: 21-23 August 2026.
    - Teams were encouraged to wear pink socks and make team donations in support of breast cancer awareness and research.
    - Individual players were also encouraged to make personal donations.

St Pat's recognises the Rounds of Significance represent an important opportunity to build engagement within the Hockey and broader sporting communities through active participation, and encouraging open and honest conversation on these important societal issues which bring positive change. We appreciate that for many individuals these rounds are very important and shine a light on a community issue or cause of personal significance and meaning to them.

All these rounds were promoted on the club's social media as part of pre round promotional/engagement posts and post round activity posts.

Active involvement in the Rounds of Significance also directly contributes to St Pat's ability to achieve the club's 2025-29 Strategic Plan Vision and Purpose and deliver against the individual outcomes contained within. In this regard, St Pat's will continue to align itself to and strengthen its engagement in the Rounds of Significance over future years so Hockey ACT can make a positive difference to our club members, the hockey community and broader community.

Junior Summer Skills Program 2026

The club's 4-week Junior Summer Skills Development Program was held in February (over 4 Saturday mornings) at ANU's Willow Fields - the fifth year that it has been running. The program was well attended by up to 40 Juniors across all age groups and skill levels, from HI2H age through to U/18's - from both St Pat's and Marist Hockey Clubs. Breakdown of the two sessions were:

- Session 1 - 15 HI2H and U/10 field players,
- Session 2 – 21 U/12, U/14, U/18 field players, and U/14-U/18 GKs.

The field program was run by Ash Seivers, with support from Paige Oliver-Smyth and several other CL players who assisted at individual sessions, and the GK program by Hugh 'Hughie' Evans. St Pat's sincerely thanks Ash, Paige, and Hugh for committing their time and efforts running this year's program and making it a success and also thanks the volunteer coaches from both the Women's and Men's CL cohort who assisted.

The program continues to focus on building and reinforcing core hockey skills and game awareness through drills and practice matches, and with gradual build-up of intensity of skills coaching and game simulation/practice matches over the 4-week period.

The program is proving beneficial in creating a pathway for Juniors who want to develop their game for regional and representative level hockey, and also as a pathway for Juniors aged 14 and over into our Senior teams. In this regard the program will continue to evolve and support the key player development principles outlined in the 2025-29 Strategic Plan and the St Patrick's Hockey Club Player Pathway.

With the success of the program over the past 5 years, St Pat's is looking forward to running the program again at in February 2027.

Culture and Behaviour

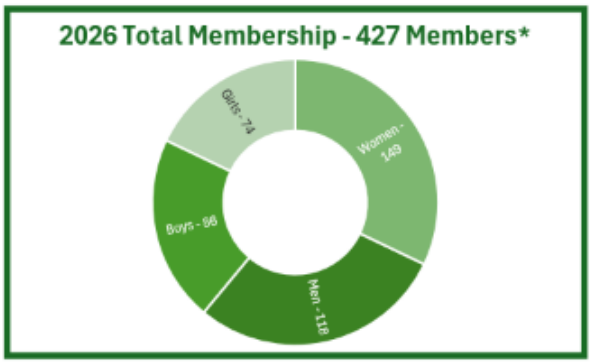

In 2026 the Club received four complaints regarding member conduct. These were handled in accordance with the Club's Complaint Handling Process (which is published in our Complaint Handling Guide). One matter was progressed to Hockey ACT and was addressed informally; the other three were investigated by the Club and did not result in further action.

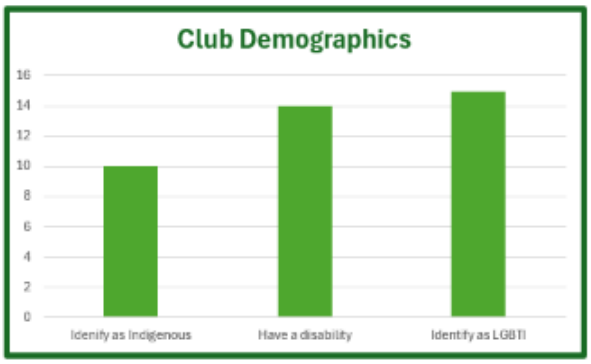

We work hard to promote a culture that reflects our values (which are: fun, respect, courage and integrity) and ensure our members know what is expected of them. As a large Club it is likely that we will from time-to-time need to address concerns around behaviour and conduct, but it is pleasing that these continue to be on the most part fairly minor and that are members are open to having robust and genuine conversations about their conduct. It is also very important that members of the St Pat's community feel that they can raise concerns with the Executive and will trust that these will be handled fairly, transparently and in a timely manner.

Player Milestone Recognition

We know that many members enjoy the posts and notices we publish that celebrate players who achieve a milestone number of Capital League 1 games. This is important and we will continue to do this but we also what to recognise players from other teams that play a milestone number of games for St Pats. Throughout the year Leanne Taylor and Natasha Greagg formed a sub-committee to work on this project and get it off the ground. We look forward to rolling this out in 2027 and recognising those very loyal players that have played a significant number of games throughout the season.

Brett Bettiol
Vice President – People and Teams

Junior Competition Report

During the 2026 outdoor season, St Patrick's fielded nine junior teams in the Junior Outdoor Competition: four boys' teams, three girls' teams, one mixed team and a combined St Patrick's/Central girls' team.

The Boys Junior State League 1 (JSL1) team secured the minor premiership before narrowly finishing runners-up in a closely contested grand final.

Seven of the eight teams eligible for finals qualified, with the Under 10 mixed competition not featuring a finals series. All qualifying teams competed strongly and represented the club with distinction. Congratulations to all junior players on their efforts throughout the season.

With many players at the younger end of their respective age groups, the strong results achieved in 2026 provide a promising foundation for continued development and success in 2027.

We extend our sincere thanks to the junior coaches and managers whose commitment makes the season possible. Their generous contribution of time and expertise ensures that our teams remain engaged, well prepared and organised throughout the season. The club is fortunate to benefit from their valued volunteer support.

We also thank the parents and families of our junior players for their ongoing support. The time and commitment they share with the club are greatly appreciated and remain essential to our strong club culture.

Congratulations to all junior players selected in ACT representative and School Sport teams in 2026. We also acknowledge their willingness to share the knowledge and experience gained with their club teammates.

It was encouraging to see many junior players participate in the Canberra Hockey Regionals Program. We particularly acknowledge the families who supported this participation, particularly the significant travel required for some competitions this year. These carnivals provide valuable opportunities to develop hockey skills, gain experience and build new friendships.

We thank the junior players who participated in the Joeys umpiring program, along with the junior and senior players who umpired in the junior competition. Our thanks also go to Bek for coordinating umpires for our matches, and to the mentor umpires who generously dedicated their time to developing our junior officials. This mentoring plays an important role in supporting the future of both the club and the sport.

Finally, we extend our sincere thanks to Girls Coordinator Sarah Janek for her continued dedication to the junior program, particularly her support of the girls' teams. Her contribution to the season is greatly appreciated.

Congratulations to all our juniors on a successful 2026 season. We look forward to welcoming players and families back in 2027 as we build on this year's achievements.

Natasha Greagg
Head of Junior Hockey Program

Hook in 2 Hockey (HI2H) Report

The 2026 St Pat's HookIn2Hockey (HIN2H) Program was based once again in Gungahlin at the artificial turf fields at Nicholls, Gold Creek Primary School. The program ran from 2 May to 5 September. The number of HIN2H participants for the club this year increased from 25 in 2025 to approx. 32 with most of the cohort new to hockey and signing up with the club after the successful Hockey ACT Come and Try Days early in the year.

This year we initially had a large cohort of older participants that were new to hockey, these participants were successfully transitioned into U/10s within the first couple of weeks of the season, there was also a large number of 5-year-olds with at least seven new families joining the club - which was great to see. The program continued to be centred on fun and involvement whilst learning basic hockey skills between 9am and 10am on Saturday mornings. The first 30 minutes was generally dedicated to skills/technique development, and the final 30 minutes is team gameplay and building positive sportsmanship.

Once again Hockey ACT ran two HI2H Carnivals, the Northside Carnival was held on a rainy day on 20th June, and the Southside Carnival held 29 August 2026. St Pats ran the BBQ at the Southside Carnival, in addition to the standard sausages in bread we also provided delicious cupcakes for sale. The cupcakes had special cake toppers that representing all clubs, the toppers were also able to be reused as bag tags. Many thanks to SUPER mum Kim Marshall for creating these very special treats. This year St Pat's was able to field two U/6 teams and two O/6 teams for both Carnivals. With some of the participants playing in two teams at time's though the carnival's, they all had a great time playing against other clubs in a round robin format and building competitive friendships that will no doubt grow in years to come.

St Pats was also part of the pre-game entertainment and guard of honour at the Canberra Chill home match on the 30th of October.

Approximately five HI2H participants from this year have age qualified for U/10s next year. Three of these participants started transitioning to U/10s by attending training after the July Holidays and really enjoyed playing a couple of games.

I would like to send out special thanks to Grace Dwyer for playing an integral role with the under 6's (you will be missed next year), with regular support throughout the season from Hamish Dwyer & Cooper Evans. Without the additional support provided by the assistants the program would not run as smoothly as it does. I would also like to thank the St Patricks Hockey Club Committee for their continued support of the HI2H program and am looking forward to building on this past year's successes into the 2027 season.

Jessica Whitlock
HI2H Coordinator

Women's Competition Report

Overview

The 2026 season was a successful and rewarding year for the St Pats Women's Hockey program, with 10 teams competing across the various senior divisions. The teams were:

- CL1
- CL2
- 2 x SL1 teams
- 2 x SL2 teams
- 2x SL3 teams
- SL4
- SL5.

Across the competition, our teams demonstrated strong commitment, competitiveness and development, with several teams enjoying outstanding success throughout the season.

Team Performance and Achievements

The standard of competition was strong across all divisions, particularly in SL1 and SL3, SL4 and SL5 where teams experienced highly competitive seasons. Seven teams progressed to the finals series demonstrating the depth and strength of the women's program. There were some outstanding individual team achievements, including:

- SL3 Women Green: Grand Final winners.
- SL4: Grand Final winners
- SL4 and SL5: Minor Premiers.

Our congratulations go to all players, coaches and managers for their efforts and achievements throughout the season.

While SL4 and SL5 experienced a decline in player numbers as the season progressed, both teams remained competitive and continued to demonstrate great commitment. Importantly, these teams also provided valuable opportunities for player development, with significant growth in skills, confidence and experience. This progression means some players could be ready to progress into higher divisions in 2027.

A key priority for the coming season will be establishing a sustainable recruitment and retention strategy for SL5, including engaging junior parents, encouraging returning players and identifying new opportunities to attract players to the club.

Coaching and Team Management

The success of the women's program would not be possible without the commitment and contribution of our coaches and team managers. We sincerely thank everyone who volunteered their time, knowledge and enthusiasm throughout the season. Their contribution to player development, team culture and the overall success of the program is invaluable.

Training and Facilities

Training arrangements continued across two main venues, Tuggeranong and Lyneham.

The allocation of training times provided to the Club by Hockey ACT includes a mix of favourable and less-than-ideal time slots, particularly between the two venues. The current arrangement of allocating two teams per half pitch worked well for most teams and provided an effective use of available facilities.

Moving forward, continued consideration of training allocations, particularly access to suitable times and facilities, will be important to supporting player participation and development.

Junior Integration and Player Pathways

The continued integration of junior players into the senior women's program was a positive aspect of the 2026 season. Creating opportunities for juniors to transition into senior hockey supports the long-term development and sustainability of the club. The growth demonstrated in the lower senior divisions highlights the importance of continuing to develop these pathways and ensuring players of suitable ability have opportunities to progress through the grades.

Club Recognition and Representative Honours

A significant highlight for the club was St Pats Women's being awarded Club Champions at the Brophy Awards. This recognition is a wonderful acknowledgement of the collective efforts, achievements and commitment of our women's program.

We are also extremely proud of the players within our senior ranks that represented the ACT throughout the year at various representative levels, including Under 18, Under 21 and Masters competitions, both nationally and internationally. These achievements reflect the depth of talent within our club and the dedication of our players to developing their hockey at the highest levels. We congratulate all representative players on their selection and achievements. They are wonderful ambassadors for St Pats.

Looking Ahead to 2027

As we look towards the 2027 season, our priorities will include:

- Retaining existing players and encouraging returning players.
- Developing a sustainable recruitment strategy.
- Continuing to strengthen junior-to-senior pathways.
- Supporting player progression between divisions.
- Maintaining strong coaching and team management structures.
- Advocating for suitable training times and facilities.
- Building on the competitive success and positive culture established across all women's teams.

The 2026 season has demonstrated the strength, depth and commitment of the St Pats Women's Hockey program. We look forward to building on these achievements and continuing to provide opportunities for women and girls to participate, develop and enjoy hockey at every level.

Thank you to all players, coaches, managers, volunteers, families and supporters who contributed to another successful season.

We would also like to recognise the contribution that Michelle (Smurf) Murphy has made to the club over in her capacity as women’s coordinator and head of women’s programme. After six years Michelle has decided to step away from the committee.

Tamara Seaman
Women’s Hockey Coordinator

Men's Competition Report

Team Results

CL1: Finished 3rd of 7. CL1 had a breakout year, finishing in the top four and playing finals for the first time in many years. Under the guidance of coach Pat Keir the team won their first final against United Hockey Club in a stirring display coming out 6-3 winners. They also went achingly close to making the Grand Final, falling just short against Wests. At the Brophy McKay Awards night, the team walked away with the Coach of the Year award – Mens (Pat Keir), Most Improved in CL1 Mens (Jacob McGregor) and the Brophy Medal (Simon Kragh). Another highlight was the development of a strong cohort of players in the U21 age bracket with five members of the team making the ACT U21 state team. The team will be looking to consolidate on their achievements and go even further in 2027.

CL2: Finished 5th of 6. Following a challenging 2025, it was fantastic to see the addition of new players to the team, including players from other clubs and others coming up from lower grades. There were many upsides including seeing the development of players and the close connections made with CL1 and SL1 squad players. Whilst finals were not on the cards for the team this year, there were many upsides from the season and the team should be proud of their efforts. This year the CL2 competition was incredibly competitive with every game been close and important.

SL1: Finished 2nd from 8, our equal strongest finishing team in 2027. SL1 enjoyed a very strong year, once again easily qualifying for the finals. The team showed great consistency and competitiveness throughout the season. Guttingly, they lost the Grand Final after a tough shootout loss to Tuggeranong in a game where they dominated on field play. Nonetheless, it was another solid performance from the group, reinforcing SL1's position as one of the competition's strongest and over many years, consistent teams.

SL2: Finished 6th from 12. The SL2 team had a mixed season with some very strong showings but struggling at times for consistency. They were able to put together highly disciplined and structured performances against top four teams but at times couldn't hold this consistency in the team play and structure on a weekly basis. However, the team is very united and have great times on and off the pitch.

SL3: Finished 5th from 11. So close to making the top four just falling short in the end. SL3 had a very strong start to the season but struggled at times to take down the top teams. Their forward line really got to work, leading to a goal difference being a whopping 52 goals in front of the 6th placed team. Several really strongly performing junior players also bodes well for the club.

SL4: Finished 2nd from 10, our equal strongest finishing team in 2027. SL4 had an extremely strong season and at times really dominated opposition teams. Unfortunately, they lost both their Preliminary Finals and were unable to progress to the Grand Final. It was a disappointing end to the season for the team but they have so much to look forward to in 2027.

SL5: Finished 6th from 8. Wow, what a year for SL5. First year coaches Liam and Triana have had a huge impact on this team. After several really hard years the team got four wins this season which is a massive improvement on past year performances. What a fantastic achievement and it was highlighted by the increased participation and consistency of player attendance, resulting in a happy manager and much greater buy-in from all participants.

Summary

Overall, I would say it's been an extremely rewarding season in 2026 with some amazing performances across the board. Clearly the improvements in our CL1 team have been incredibly positive and uplifting for the whole men's squad. In addition, special mention to SL1 who came so close to another premiership. The overall attitude and performance of all players is to be commended, and our St Pats competitiveness is always proudly on show. I would like to finally thank all Men's coaches and team managers for your effort and time that you put into our club.

Nick Streeton
Head of Men's Hockey Program

Indoor Report

The 2025/26 indoor season was a great success, with 16 teams representing the club across various competitions. The season commenced in October 2025 and concluded in March 2026, with an extended break over the Christmas school holiday period.

Our teams included:

- 4 Men's teams
- 6 Women's teams
- 4 Girls' teams
- 3 Boys' teams and
- 1 U12 Mixed team.

Eight teams made the semi-finals. With six progressing to the Grand Final and two teams winning their match. We congratulate IL1 Men and JIL2 girls on their Grand Final win last season.

A huge thank you to all managers and coaches who generously volunteered their time and effort to support our indoor teams throughout the season. We also thank indoor umpires for their expertise and assistance during the 2025/26 season.

St Pats Indoor - Final Results			
Men	**Women**		
Grade	**Placing**	**Grade**	**Placing**
IL1	1st White, 7th Green	IL1	2nd Green, 8th White
IL2	2nd Green, 5th White	IL2	5th Green, 9th White
		IL3	2nd
Boys		**Girls**	
Grade	**Placing**	**Grade**	**Placing**
JS	3rd	JS	5th
JIL1	3rd	JIL1	2nd

The 2026/27 indoor season is now underway, with the club fielding 18 teams. We wish all teams the very best of luck for a successful and enjoyable season ahead!

Rebecca Platten-Rynolds
Indoor Coordinator

Umpiring Report

Throughout the 2026 season, the club was required to cover an average of 14–16 umpiring appointments per week across both senior (men's and women's) and junior competitions.

As in the previous year, the club implemented a hybrid umpiring model, whereby the club coordinated and covered a portion of the appointments, while individual teams were allocated games to fulfil remaining umpiring commitments throughout the season.

Unlike previous seasons, the club and teams were required to look beyond our own membership to source umpires to meet these commitments. In 2025, a greater proportion of our umpiring duties had been covered internally by club members. This season, however, sourcing umpires became increasingly challenging, particularly as several of our club umpires were also fulfilling HACT-assigned appointments, reducing the availability of our internal umpiring pool.

The development and mentoring of emerging umpires was also limited and challenging due to the reduced availability of experienced mentors. Despite this, several of our younger umpires participated in the HACT Joeys Program throughout the season, providing them with valuable opportunities to develop their skills and receive coaching and mentoring from experienced association umpires.

I would like to sincerely thank all team managers who coordinated and fulfilled their teams' umpiring responsibilities, as well as all our club umpires who willingly stepped in to cover appointments and help the club meet its commitments throughout the season. Your time, effort and continued support are greatly appreciated and play an important role in ensuring our competitions can run successfully.

Bec Platten-Reynolds
Umpiring Coordinator

Social Committee Report

The 2026 Social Committee consisted of Alicia von Renouard, Kath Mumberson, Jess Whitlock, Cooper Evans, Natasha Greagg, Lee Dwyer, Grace Dwyer, Paul Wilks. Leanne Monfries, Hugh Evans and Jared Greagg, with Brett Bettiol also providing valuable assistance throughout the year.

The committee operates in accordance with a Terms of Reference approved by the Club Executive. Our overarching purpose is to provide opportunities for St Pats members to connect in a manner that is welcoming, inclusive and fun. This purpose supports the Club's Strategic Plan; through whole of club gatherings, we engage members of the club and contribute to them having a positive hockey experience with St Pat's. A total of five club events took place this year, four of which were organised by the Social Committee:

- Club Season Launch
- Juniors Mini Golf
- Club Dinner at the RUC
- Junior Presentation Night (organised by the Junior Committee)
- Senior Presentation Night.

We did try a new initiative this year of encouraging teams to get together and plan team events to enter a draw at the end of the year to receive a team prize. Teams were encouraged to take a team photo during your event for us to promote on social media. We are looking to continue this into the 2027 season, so make sure you take photos of your team events and send them through to our social media team for entry into the draw - it is just that easy!

We thank all those members, volunteers, Life Members and parents/supporters that attended one or more of these events and in doing so actively showed their support for St Pat's.

More hands make light work, so if anyone is interested in joining the social committee for the 2027 season, it is highly encouraged! A lot of people within the social committee help out by performing other roles for the Club, so having more people would ensure we spread the load and can be more creative and adventurous with the activities and events we plan. Please give this some thought – the time commitment is manageable and being involved is a lot of fun.

Alicia Von Renouard
Chair – Social Committee

CONGRATULATIONS!!

to all St Pat's award recipients. ***Visit the St Pat's website***

Uniforms Coordinator Report

Future planning for Uniform updates and ordering

1. A timeline of ordering and purchase windows was developed to ensure key dates align with the start of outdoor Senior and Junior seasons and the indoor season. This was shared with Al at the Hockey shop to ensure purchasing timelines are accurate and that there is open communication between the club and distributor of the items.
2. A timeline was also developed for off pitch merchandise to ensure adequate time was available to survey the club members and develop items.
3. A timeline has been developed to manage the development, purchasing and ordering of a new playing strip for 2028.

Items of note from club items purchased this year.

1. There were 50 grey hoodies sold this year.
2. We had new training shirts developed for the CL1 & 2 teams (Men and Women) with our club logos and our sponsors displayed on the shirts. These were provided to players thanks to a donation from At Home Landscaping. As a result, we were able to promote all our sponsors and our players looked professional and unified at their trainings.

Development of off-pitch items for 2027

1. Beanies and Scarves were designed and produced and sold to club members.
   - 40 beanies were sold
   - 5 scarfs were sold
   - 30 scarf and beanie bundles were sold
   - Approximately 40 items of each are available for 2027 to be sold.
2. The club members were surveyed to ascertain what off-pitch club gear they would like to purchase
3. Potential suppliers were researched and are still under investigation by the club to use for off pitch merchandise, as well as new uniforms for 2028.
4. Items have been generated for the executive to consider and approve. The top 4 off-pitch line items are: Full zip hoodie, training shirt, tracksuit pants and t-shirt that can be used as an alternative strip when playing against another St Pats team.

Lee Dwyer
Uniforms Coordinator

The Club has recorded another strong financial result, continuing to build its financial position while maintaining our commitment to keeping registration fees at the lowest practical level. This remains an important priority as we balance increasing operating costs with ensuring hockey remains affordable and accessible for our members.

Sponsorship has been a particular highlight this year, with income increasing significantly to $25,545. Of particular note was the Capital League 1 Men's sponsorship initiative, which secured $16,500 to support player registration fees, additional fee relief and two junior scholarships. It is particularly pleasing that the sponsors behind this initiative are Club members themselves, demonstrating a strong commitment to supporting fellow players and junior development.

We have also continued to improve our financial management processes, particularly in relation to registration fees and the administration of indoor hockey.

Notes on the Financials

As noted in previous years, the Club's financial year runs from 1 October to 30 September, which can make year-to-year comparisons less straightforward. This is particularly relevant to indoor hockey, presentation nights and trophies, where income and expenses may fall across different financial years.

The Club operates on a cash basis, meaning income and expenses are recognised when money enters or leaves our bank account.

The financial statements show a net profit of $21,579.89, compared with $17,632.86 reported last year. Total income increased to $240,215, while expenses increased to $218,635. The Club remains in a strong financial position, with a bank balance of $96,769 and net assets of $96,706 as at 30 September 2026.

Key points from the financial statements and the Club's financial management throughout the year include:

- Sponsorship income increased from $13,636 to $25,545, highlighting the valuable contribution of our sponsors to the Club's financial sustainability and support for members.
- The Club received $5,000 in grant funding and $2,100 in donations. These donations supported the purchase of perpetual trophies and other items for the 2025 outdoor season presentation.
- This year, the Club trialled requiring a minimum upfront payment of $150 through RevSport as part of the registration process, with the remaining balance invoiced separately. This was largely effective in securing initial payments at the commencement of the season. We also continued to apply the Club Fees Policy to ensure consistency and fairness in managing fees and requests for reductions.
- During the 2025–26 indoor season, the Club introduced centralised management of registration fees. Previously, team managers collected payments from players to cover team entry fees. This change reduced the administrative burden on managers, improved oversight of payments and enabled the Club to generate a modest surplus. This income will help meet operating costs and support future equipment purchases, including indoor hockey balls where required.

- Coaching expenses increased this year, reflecting the Club's decision to provide paid coaching arrangements for both the Men's and Women's Capital League 1 teams, alongside fee reductions provided to other coaches in recognition of their commitments. The Club also continued allocating responsibility for umpiring coverage and payments to individual teams, helping ensure umpires are appropriately remunerated for their contributions.
- Field hire and registration fees remain our largest operating expenses, totalling approximately $155,442. These costs reinforce the importance of maintaining sustainable registration fees and continuing to grow alternative income sources.

Overall, the Club remains in a healthy financial position, providing a sound foundation to meet future commitments and continue supporting our members.

Finally, after several years on the committee, including as Assistant Treasurer and Treasurer, I have decided to step down next year. It has been a rewarding experience contributing to the Club, and I am proud of the improvements made to our financial management during this time.

I would like to extend a sincere thank you to all our sponsors and everyone who has generously donated to the Club throughout the year. Your contributions make a meaningful difference to our members and the opportunities we can provide. I would also like to thank my fellow committee members, coaches, umpires, team managers and volunteers for their ongoing dedication and support.

I wish the incoming committee and Treasurer all the best and look forward to seeing the Club continue to grow and succeed.

Zanthe Sheargold

Financial Report

for the year ended 30 September 2026

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF

ST PATRICK'S HOCKEY CLUB INCORPORATED

FOR THE YEAR ENDED 30 September 2026

Background

I have audited the attached financial statements of St Patrick's Hockey Club Incorporated for the year ended 30 September 2025. The Committee is responsible for the preparation and presentation of the financial statements and the information they contain. I have conducted an independent audit of these financial statements to express an opinion on them to the members of the Association.

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. The procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards and Statutory requirements to present a view which is consistent with our understanding of the Association's position and the results of its operations.

I reviewed financial information, specifically the profit and loss statement and balance sheet, for the 2025/26 financial year held in the Association's Xero accounting system.

Review findings

All matters raised by me have been addressed.

Review conclusion

No matter has come to my attention that causes me to believe that the financial report does not satisfy the requirements of the

Declaration

I declare that, to the best of my knowledge and belief, there have been no contraventions of any applicable code of professional conduct in relation to the review.

RvdWalt ..... Renate van der Walt 22 October 2026

ST PATRICK'S HOCKEY CLUB INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2026

NOTE 1: Statement of Significant Accounting Policies

The financial report is a general-purpose financial report which has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations and the Associations Incorporations Act (ACT) 1991.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act ACT and the following Australian Accounting Standards:

AASB 110: Events after the Balance Sheet Date

AASB 1031: Materiality

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on a cash basis and is based on historic costs and does not consider changing money values or, except where specifically stated, current valuations of non-current assets. Quarterly GST reporting is done so on a cash basis, and all BAS lodgements and payments/refunds are up to date

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

Revenue Recognition: Cash amounts received are recognised at fair value of the consideration received. The Association is currently registered for GST and therefore GST is recorded on income.

The Association relies on both committee members and volunteers to administer fundraising and

merchandise sales on behalf of the Club, and as such, limitations exist on the records maintained to confirm completeness of revenue collected.

ST PATRICK'S HOCKEY CLUB INCORPORATED

ABN 14 636 915 977

In the opinion of the committee the Statement of Comprehensive Income, Statement of Financial Position and Notes to the Financial Statements:

1. Presents a true and fair view of the financial position of St Patrick's Hockey Club Incorporated as of 30 September 2025 and its performance for the year ended that date.

2. At the date of this statement, there are reasonable grounds to believe that of St Patrick's Hockey Club Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:
