St Pat's is fortunate to have several committee members that would like to re-nominate and continue in their role in 2027. It is noted; however, that the following Committee members have indicated they will not be re-nominating at the AGM: Zanthe Sheargold, Rhonda Smyth, Michelle Murphy and Nicole Bettiol. We thank each member for their dedication, diligence and efforts over recent years and their service to St Patrick's Hockey Club.

Several people have also indicated that they would like to join the Executive or Committee in 2027, which is very much appreciated and important for ensuring new ideas and perspectives are considered and discussed.

There remain several positions for which we do not have nominations. As such we seek nominations from members to fill the following positions:

Executive positions

- Deputy President*
- Vice President – Development

Committee positions

- Boys Coordinator
- Assistant Treasurer
- Men's Coordinator/s

- Indoor Coordinator/s
- General Member/s.

*Note that the Deputy President is a new role. The current Executive has created this role with the intention of providing more robust Executive leadership for the Club and better support for the President. The Deputy President will also oversee and assist with key operational areas of the Club where needed. More information on the role is available in the Club's Office Bearers Roles and Responsibilities document.

If you have the interest, time and capability to fill an Executive or Committee roles, particularly one of those for which we do not currently have a nominee, please nominate and attend the AGM on 15 November 2026. We are a large club and need a diverse and active team to fill Executive and Committee roles and ensure the Club's future success.

If you have any questions regarding these roles, or would like to nominate before the AGM, please reach out to:

President: Kathy Mumberson – president@stpatrickshockey.com.au, or
Secretary: Dan Sagrott – secretary@stpatrickshockey.com.au.
